# RegMed Forum 2023 - ATMPs – Thinking Big, Inclusive and Beyond Rare Disease!

November 23<sup>rd</sup>, 2023  
BCRT – Cranach Haus –  
Föhlerstr. 15 | 13353 Berlin

## Break-Out Sessions – four passes in rotation

11:00 **Introduction World Coffee** (*Timo Nazari-Shafti*) 5'

*Seminar room B (0.0028)*

- **World Coffee “Patients”** (*Valerie Kirchberger*) 20' per round  
Lead question: How can PROMs be brought into greater use? How can we better represent different patient views. How can we integrate the patient perspective more strongly in the conduct of clinical trials?

*Cafeteria (0.0031)*

- **World Coffee “Regulatory Affairs”** (*Christoph Conrad*) 20' per round  
Lead question: Which regulatory aspects could strengthen and further the innovative potential in Germany? How to de-risk ATMP clinical trials from a regulatory perspective? How to better interact with regulatory instances?

*Seminar room A (0.0043)*

- **World Coffee “Industry”** (*Joachim von Arnim*) 20' per round
- Lead question: Which models and structures are necessary for a multi-lateral co-creation? Which strategic developments / infrastructures are needed for a hub of ATMPs from industry perspective? What are current barriers for investing in ATMP developments?

*Auditorium (0.0044/45)*

- **World Coffee “Clinical”** (*Timo Nazari-Shafti*) 20' per round  
Lead question: How would an optimal hub for ATMP development look like? Which are barriers for ATMP developments? What can we learn from other hub-like structures?

13:00 Lunch + **Industrial Exhibition** 90'

- CellInk
- Theycell

## Results Breakouts:

14:15 **World Coffee “Patients”** 15'

14:30 **World Coffee “Regulatory Affairs”** 15'

14:45 **World Coffee “Industry”** 15'

15:00 **World Coffee “Clinical”** 15'

*Foyer*

## Wrap Up

15:30 **Wrap Up and Networking Coffee** (*Timo Nazari-Shafti, all*) 30'

16:00 **End of Programme**
